

# 7LT SAUSAGE STUFFER

## DETAILS

This light-duty model, is easy to operate.

Equipped with 4 different funnels, these manual sausage stuffers are the easiest way to stuff any casings, whether it be for salami or sausages.

The full stainless steel cylinder, food approved aluminium piston, the solid rack, the precision gears and the accurate manufacturing of all mechanical details ensure a perfect working machine,

As with all our machinery our sausage stuffers are backed by the technical department at Food Industry Services.

16 Kurrle Road, Victoria, 3429
