Second hand Unimec Slypack Evo Tray sealer

This Unimec Slypack Evo tray sealer has a vacuum/ gas setup and currently runs a 11x9 tray mould

The main features of this model are flexibility and capacity at a really interesting price.

- Vacuum / Gas vacuum and/or modified atmosphere packaging through vacuum and gas injection
- Reduced overall dimensions
- Easy mould changeover that is quick

At 2 Years old with a light workload by its previous owner and having been regularly serviced it is a fantastic buy.

This machine truly is a great addition to a business looking to professionally package their food

Dimensions: L 2325mm x
W 910 mm x H 1520mm

Weight: 300 kg
